### Become a monthly donor

For over 20 years, we have been providing financial support and personal guidance to students in Ghana for further or vocational education. The basis from which we act is to allow a learner to fully blossom and fully feel and nurture their life dream, without losing sight of reality. In November 2019, we became a foundation and obtained the ANBI status.

We started in 2002 with 1 and this year we are guiding 7 students. Fortunately, we have a steady group of donors from day 1 and brand-new donors we can count on. We are very grateful to all of them!

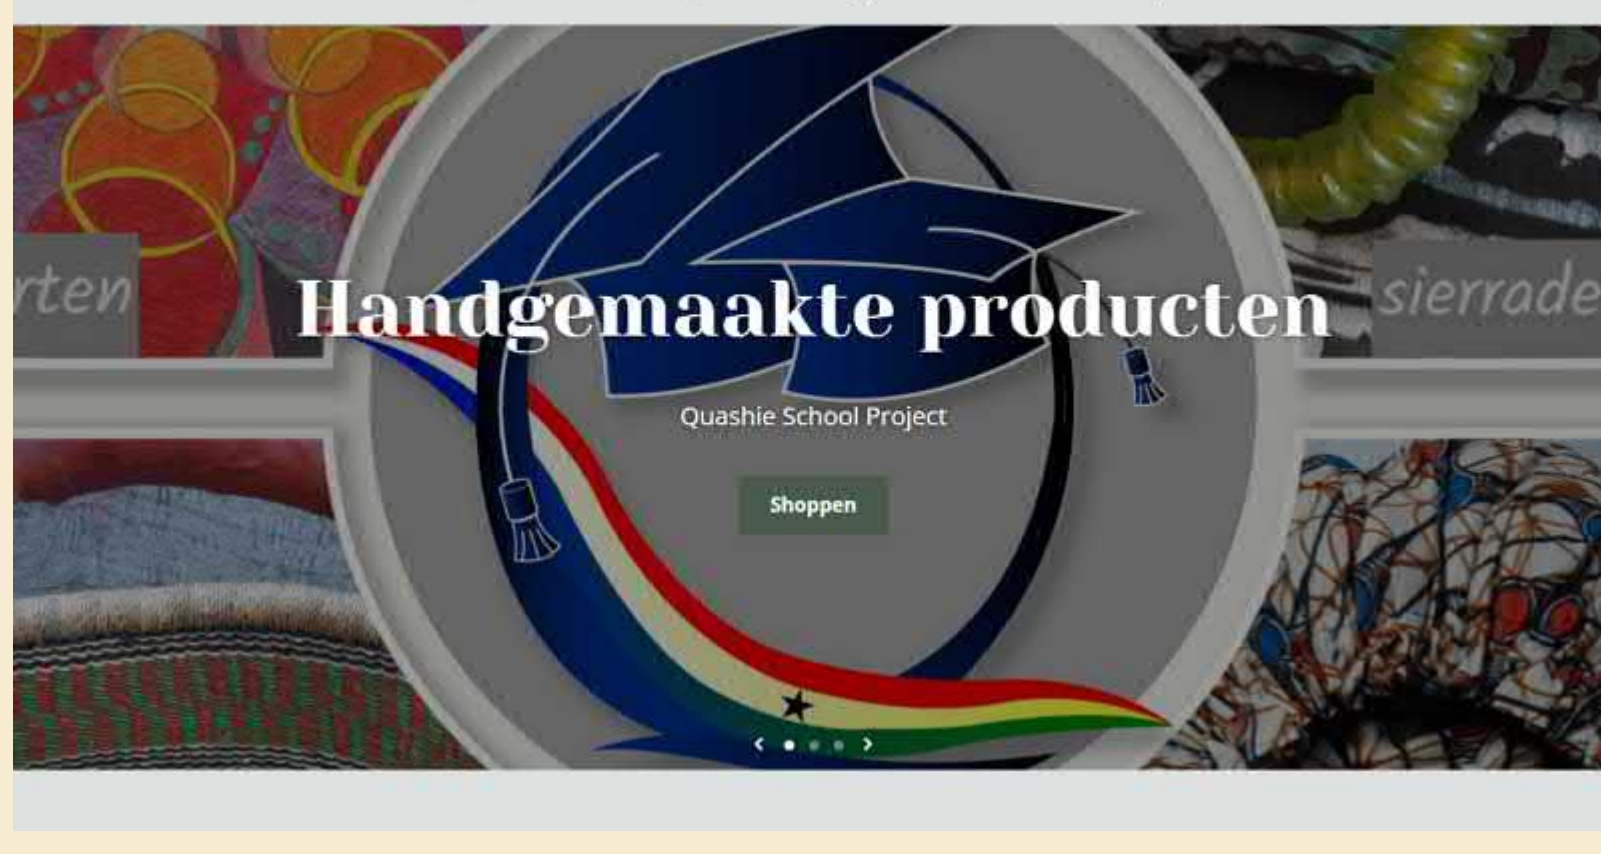

By becoming a monthly donor, you give a Ghanaian pupil a future and our foundation financial security. The monthly amounts we receive most often are €10, €20 and €25 with peaks of up to (well over) €100.

A study takes 3 to 4 years, and we want to grow to a maximum of 10 students. For this, we need your help.

**Will you be our new monthly donor?**
